Welcome to Winston-Salem

Winston-Salem's vibrant downtown pairs well with a rich history that's open for exploring. Winston-Salem's Moravian, tobacco, and textile roots shaped the city into the thriving area it is today, and there's no better way to experience that culture than through its culinary offerings. You can sip your way around the area, too — Winston-Salem is the gateway to the Yadkin Valley wine region, North Carolina's first and largest American Viticultural Area (AVA). If craft beer is more your thing, you're in the right place. Winston-Salem was home to the state's first microbrewery (in Historic Bethabara Park), and the rest is, well, history, with several iconic breweries now calling Winston-Salem home.

Whether you're craving a plate of world-famous **North Carolina barbecue** or a glass of local Yadkin Valley wine, you'll find it all (and then some) in Winston-Salem. So pull up a chair, gather around our table, and **wake up your taste buds**.

We're happy you're here. 🛪

One of the hardest parts of any trip is deciding where to eat and drink. We hope this guide makes those decisions a little easier. Here are a few tips to make the most of this information — and your Winston-Salem stay!

- Restaurants are listed alphabetically within five geographic regions — North, South, East, West, and Downtown. Each region corresponds with the color-coded map at the back of this guide.
- Each listing includes the restaurant's cuisine type, physical address, website or Facebook page, phone number, and meals served.
- For the most up-to-date listing of Winston-Salem restaurants and wineries, we invite you to visit us online at VisitWinstonSalem.com.
- Please contact restaurants and wineries in advance to **confirm hours of operation**, especially if you're traveling with a large party.
- For more information on dining, the Yadkin Valley wine region, or general visitor information, please visit our website at VisitWinstonSalem.com, call us at 866.728.4200, or stop by the Visitor Center located downtown at 200 Brookstown Avenue Monday Friday 8:30 a.m. 5 p.m. and Saturday, 10 a.m. 4 p.m.

Downtown Winston-Salem is a feast for the

senses. Park the car and stroll around - you'll see so much more. Walked up an appetite? The dining options here range from Thai and Mediterranean to upscale Southern. Just remember to save room for those paper-thin Moravian cookies and sugar cake!

Wineries & Vineyards

The Yadkin Valley is North Carolina's first and largest American Viticultural Area (AVA), home to more than 45 wineries and wine producers known for award-winning riesling, chardonnay, cabernet sauvignon, merlot, and other varietals. Come and enjoy the relaxed, intimate atmosphere of these wineries, where the person pouring your wine is often the same person who made it.
